

# 3012-N

## Clip mount recessed pin plunger with wire leads

### Recessed pin plunger

---

Sentrol offers the 3010 series pin plunger for tamper protection. The contact is hermetically sealed and reed actuated for positive operation on seldom-used enclosure openings.

### Durability and dependability

---

The Sentrol high performance magnetic contacts have been designed to facilitate installation and ensure durability and dependability. Most are conservatively rated at 10,000,000 cycles, guaranteeing a long life. Every reed connection is hand soldered and each magnetic contact is tested before they leave the factory, 100% of the time.

### Details

---

- Adjustable plunger depth
- Including sheet metal mounting screws
- Easy installation
- Optional tamper loop provided

# 3012-N

## Clip mount recessed pin plunger with wire leads

### Technical specifications

#### General

Application type	Special Applications
Contact type	NC
Connectivity	30 cm wire leads

#### Wired/wireless

Wired-wireless	Wired
----------------	-------

#### Physical

Physical dimensions	40 x 35 x 7 mm (L x W x H)
Colour	White
Dimensions magnet	N/A
Dimensions contact / sensor	40 x 35 x 7 mm (L x W x H)
Operating gap	N/A
