

TVP-BS-6SI

TruVision Dome Bubble Spare, Smoked, for HD-TVI flush mount domes

Overview

The TruVision Replacement 6" smoked bubble dome can be used to replace the standard clear bubble in TruVision HD-TVI flush mount PTZ cameras. The smoked bubble provides a way to partially obscure the position of the PTZ camera.

Details

- 6" bubble replacement dome
- For use with TruVision HD-TVI PTZ flush mount domes
