

TVD-VFM2

TruVision flush mount for S6 varifocal dome camera without cable harness

Overview

TruVision camera mounts are part of a modular system that allows users to mount TruVision cameras in a variety of positions to meet the needs of each application. TruVision camera mounts are designed for use with fixed bullet, wedge and mini dome cameras and feature rugged construction suitable for indoor and outdoor environments.

TVD-VFM2 flush mount is for indoor use only.

Used together with following S6 Domes:

TVD-5604
TVD-5605
TVD-5606
