

TVN-HDD-8TB-2

TruVision recorder HDD expansion kit, 8 TB

Overview

The TVN-HDD-8TB-2 is a 8 TB SATA hard drive kit for TruVision recorders. Two plastic brackets are attached to the hard drive so that it can be inserted in the TruVision recorders with removable hard drives. This 8TB hard drive can be used with TVN 22P or TVR 46 recorder series.

Western Digital Purple hard drive series

The Western Digital Purple surveillance hard drives are especially designed for video surveillance applications. The hard drives contain specific technologies to reduce errors, pixelation and other video interruptions.

The drives have an enhanced workload rating that supports systems designed for 24/7 video recording.

Details

- Hard drive expansion kit for video surveillance applications
- Contains brackets for adding the hard drive to TruVision recorders with flip-open front
