

# ATS118x-CVR-LP

**Installation backplate for ATS1160N, ATS1161N, ATS1180N and ATS1181N readers, long version (170 x 80 x 10 mm)**

## **ATS118x Installation Backplates**

---

The ATS118x installation plate is injection moulded and has perforated holes for reader mounting. The installation plate is useful for covering socket holes when using a mullion type reader, provides more space for connections and also helps ensure reliable reading when multi-function cards are scanned. This additional space is particularly important when readers are installed upon metal surfaces.

## **Details**

---

- Available in three shapes: Basic, Slim and Quattro
- Installation plates greatly reduce eddy currents from metal surfaces
- They also cover unsightly old screw holes and reader cable lead in your installation

# ATS118x-CVR-LP

Installation backplate for ATS1160N, ATS1161N, ATS1180N and ATS1181N readers, long version (170 x 80 x 10 mm)
