

ATS3699EMBC

ATS Master panel motherboard card, 8-128 zones, 3A PSU, EN50131 Grade 3 Class II

ATS3699EMBC

ATS Master panel motherboard card, 8-128 zones, 3A PSU, EN50131 Grade 3 Class II

Technical specifications

General

Accessory group	ATS Master
Type	Spare part

Electrical

Operating voltage	13.8 V
Power consumption	3 A

Physical

Physical dimensions	130 x 200 mm
---------------------	--------------

Environmental

Operating temperature	0 to 50°C
-----------------------	-----------
