

BS134N

Sealed Lead Acid Battery - 12 V - 36 Ah

Details

- Maintenance free
- Lead-Calcium grid for extended life
- Wide operating temperature range
- Usable and rechargeable in any position
- Low self-discharge and long service life
- Leakproof construction
- High discharge rate capacity

BS134N

Sealed Lead Acid Battery - 12 V - 36 Ah

Technical specifications

Electrical Characteristics

| | |
|------------------|-------|
| Nominal voltage | 12 V |
| Nominal capacity | 36 Ah |

Charge / discharge

| | |
|------------------------|----------|
| Max. charge voltage | 15 VDC |
| Max. charge current | 10.8 VDC |
| Max. discharge current | 540 A |

General

| | |
|--------------|--------------------------|
| Product type | Sealed lead acid battery |
|--------------|--------------------------|

Physical

| | |
|---------------------|--------------------|
| Physical dimensions | 197 x 131 x 180 mm |
| Net weight | 10.7 kg |
| Shipping weight | 10.7 kg |
| Colour | Black |
| Material | ABS |

Environmental

| | |
|----------------|----|
| Fire retardant | No |
| Vandal proof | No |

Standards & regulation

| | |
|------------|------------------|
| Compliance | CE, RoHS 2, WEEE |
|------------|------------------|

As a company of innovation, Carrier Fire & Security reserves the right to change product specifications without notice. For the latest product specifications, visit firesecurityproducts.com online or contact your sales representative.
