

IM1440FENF02BC

Surface Mount contact, 2 M Jacketed Cable

Details

- Ideal for residential applications
- Easy to install
- Tamper loop

IM1440FENF02BC

Surface Mount contact, 2 M Jacketed Cable

Technical specifications

General

Application type	Surface Mount
Contact type	NC
Connectivity	4 wires, 2 m

Wired/wireless

Wired-wireless	Wired
----------------	-------

Electrical

Voltage	max. 200 VDC
---------	--------------

Physical

Colour	White
Dimensions magnet	14 x 35 mm
Dimensions contact / sensor	14 x 35 mm
Operating gap	11 mm

Environmental

Operating temperature	-10° to +55° C
-----------------------	----------------
