

# TX-7211-05-1

## Wireless outdoor siren 868 MHz Gen2

---

This wireless outdoor siren completes your NX-10 wireless intrusion system. It installs easily because of its wireless communication, power and learn-mode technology. It also provides the required safety and security compliant with the EN50131-regulations. The custom lithium battery pack (BS7201-N) typically delivers a 3-year lifetime.

### Details

---

- Full wireless solution: communication and power
- Easy learn-in procedure
- Pry-off and opening tamper protection
- Complies with EN50131

# TX-7211-05-1

## Wireless outdoor siren 868 MHz Gen2
